Automatically Collected Information

Information about your computer hardware and software may be automatically collected by Tactical Canine Solutions. This information can include: your IP address, browser type, domain names, access times and referring website addresses. This information is used for the operation of the service, to maintain quality of the service, and to provide general statistics regarding use of the Tactical Canine Solutions website.

Use of Cookies

The Tactical Canine Solutions website may use "cookies" to help you personalize your online experience. A cookie is a text file that is placed on your hard disk by a web page server. Cookies cannot be used to run programs or deliver viruses to your computer. Cookies are uniquely assigned to you, and can only be read by a web server in the domain that issued the cookie to you.

One of the primary purposes of cookies is to provide a convenience feature to save you time. The purpose of a cookie is to tell the Web server that you have returned to a specific page. For example, if you personalize Tactical Canine Solutions pages, or register with Tactical Canine Solutions site or services, a cookie helps Tactical Canine Solutions to recall your specific information on subsequent visits. This simplifies the process of recording your personal information, such as billing addresses, shipping addresses, and so on. When you return to the same Tactical Canine Solutions website, the information you previously provided can be retrieved, so you can easily use the Tactical Canine Solutions features that you customized.

You have the ability to accept or decline cookies. Most Web browsers automatically accept cookies, but you can usually modify your browser setting to decline cookies if you prefer. If you choose to decline cookies, you may not be able to fully experience the interactive features of the Tactical Canine Solutions services or websites you visit.
